

NW GROWN PURPLE SPROUTING BROCCOLI

Tasty from top to stem, perfect for easy meals

- SWEET & NUTTY
- NW GROWN
- QUICK COOKING
- ROAST, SAUTÉ OR GRILL

Sweet, tender and easy to prepare, this versatile veggie is nutritious, delicious and adds a vibrant pop of color to spring meals.

Choosing Northwest grown Purple Sprouting Broccoli supports small to medium-sized farms as they transition from slow winter months, bringing vital income just when they need it most.

A portion of every sale is donated to nonprofits dedicated to cultivating a more equitable, resilient and accessible organic food system.
