

The Many Faces of GROW

GROW is making a difference for today... And for tomorrow.

Since 2005, GROW has provided education and health opportunities for banana workers and their families that helps lift them from the chain of poverty into a brighter future. Through programs in Mexico and Ecuador, funds from the purchases of GROW bananas have provided:

- Student registration fees and supplies
- School uniforms
- Transportation for students
- Dental clinics
- Vision clinics
- Student housing
- Homework assistance
- Tutoring/multi-purpose facility
- Leadership and business training for micro-businesses

All GROW bananas are organic – good for your health, for the Earth, and for the workers. Available exclusively from Organics Unlimited.
