

THE NORTHWEST'S FINEST ORGANICALLY GROWN

PRIDE OF THE UMPQUA

Harmon & Noreane Walker
Roseburg, Oregon

The Walkers started farming in 1974. Taking advantage of Southern Oregon's warm weather and the fertile soils deposited by the Umpqua River, they specialize in "heat-loving" crops such as tomatoes, zucchini, and grapes. They are well-known for the outstanding quality of their slicing, heirloom and cherry tomatoes that have an extended season into late fall, and are sold under the LADYBUG label.

Deep-Seeded Passion

The Walkers grow all of their own seedlings, utilizing the best varieties chosen for flavor, sweetness and delectability. The plants are laboriously staked to keep them off the ground, hand tied to the stakes, and handpicked all season.
