

GRAVENSTEIN

This apple's creamy yellow flesh is sweet-tart, juicy and crisp. Originally cultivated as early as the 17th century, this heirloom apple is a top choice for making sauce, pies, cider and for fresh eating.

HONEYCRISP

Exceptionally juicy, this apple's texture is crunchy with a honey-sweet flavor that makes it delicious for snacking.

JONAFREE

With a flavor described as “true apple” this variety is tart, rich, crisp and juicy.

PRISTINE

The fine-grained flesh of this apple is crisp and sweet-tart. Its high sugar content makes it ideal for baking, cooking and eating fresh.

RAVE

This apple is sweet-tart and satisfying. Best eaten fresh out of hand, try chilling this variety to enhance its flavor and juiciness. Rave is delicious paired with soft cheeses.

WILLIAM'S PRIDE

Sweet, rich and spicy, this apple's complex flavor and firm, creamy flesh make it a delight to enjoy fresh out of hand or sliced on cheeseboards.

EARLY GOLDEN

This stunning apple is sweet with notes of honey and pear. Delicious eaten fresh, it's also a great option for pies, drying and cider making.

GALA

Sweet and mild with crisp flesh, this apple is aromatic with hints of vanilla. Delicious eaten fresh out of hand, Gala is also ideal for saucing and juicing.

GOLDEN SUPREME

This all-purpose apple is sweet and mellow with next to no tartness. Crisp and juicy, eat Golden Supreme fresh or sliced into salads with tangy dressing.

PINK PEARL

A showstopper with stunning pink flesh! Crisp and juicy, this apple is flavorful with notes of berry and grapefruit. Ideal for snacking, Pink Pearl also looks stunning in salads and on cheeseboards.

SUNRISE

Crisp with sweet-tart flavor featuring notes of grape and pear, the flesh of this apple is medium-grained, juicy and best served slightly chilled.

ZESTAR

Known for its unique flavor, this apple is sweet and tangy with notes of brown sugar. Ideal for fresh eating, enjoy Zestar as a delicious snack.

FUJI

This apple is a fan favorite! One of the sweetest apples available, Fuji is dense, crisp and juicy.

AMBROSIA

Aromatic with a fruity scent, this low-acid apple is sweet, mellow and known for its honeyed flavor. Its fine-grained, crisp flesh is slow to oxidize when cut, making Ambrosia ideal for enjoying fresh sliced in salads, paired with cheese or eaten out of hand.

GINGER GOLD

The fine-textured crisp flesh of this apple is mellow and sweet with a subtle tartness. Slow to oxidize when cut, Ginger Gold is ideal for enjoying sliced as a snack or in salads.

GRANNY SMITH

This classic green apple is firm, juicy, crunchy and tart with an underlying sweetness. The ultimate pie, crumble and cobbler apple, the sour notes in Granny Smith pair well with added sugar and spices in recipes and it's tasty eaten fresh out of hand.

SMITTEN

Sweet but balanced, flavorful Smitten has mellow notes of spice and a dense, crunchy texture. Holding its shape well when cooked, this is an ideal apple for baking.

GOLDEN DELICIOUS

Crisp, juicy and honey-sweet, Golden Delicious is tasty eaten fresh and sliced into salads where its color can be appreciated and it's also great for baking.

JONAGOLD

Honey-sweet with a pleasant tang and fruity nuances, Jonagold is great for fresh eating or baking. Its thin skin breaks down well in sauces and pies and this apple becomes more aromatic when cooked.

MCINTOSH

This apple's bright white flesh is very juicy, tender and sweet with a tart and tangy finish. McIntosh is great for juicing, and it's tasty eaten fresh or used in baked goods.

RED DELICIOUS

Once the most produced apple in the United States, Red Delicious is a classic North American variety. Sweet, juicy and crisp, this apple is mellow in flavor.

SWISS GOURMET

The juicy fine-textured flesh of this crisp apple is mellow with a balanced sweetness. Pairing well with sharp cheeses and best eaten fresh, try this apple sliced into sandwiches for a crunchy bite.

SOMMERFELD

Medium-grained, crisp and very juicy, this delicately flavored apple is sweet with floral notes.

Apple sauce fans can use Sommerfeld in their favorite homemade recipe and it's delightful for eating fresh out of hand.

RANZI

This apple is very juicy, firm, crunchy and almost effervescent. Its delicate sweet-tart flavor makes it a delicious choice for eating fresh.

NARITA

This apple is very juicy, firm, crunchy and almost effervescent. Its delicate sweet-tart flavor makes it a delicious choice for eating fresh.

TANGO

Tangy and sweet, Tango has one of the biggest crunch-factors around and makes an audible crackle when bitten into.

ENVY

Mostly sweet, but with a touch of tang, this apple's bright white crunchy flesh is slow to oxidize making it ideal for slicing and dipping, incorporated into salads and eaten fresh out of hand.

EMPIRE

This apple is delicious in apple sauce, baked goods, eaten fresh and is an ideal variety for drying. Sweet with a pronounced tartness, Empire is crisp, juicy and its bright white flesh is slow to oxidize.

LADY ALICE

Dense, crisp and sweetly mild, this apple's flavor features notes of almond and vanilla.

LIBERTY

Sweet with a pronounced tartness, this apple's flavor has notes of melon and citrus. Fine-grained, juicy and crisp, Liberty is delicious eaten fresh and is great for baking.

OPAL

Boasting a fruity flavor with notes of pineapple, coconut and banana, this apple is exceptionally juicy, crunchy and sweet with a balanced tartness. The bright white flesh of this variety is extremely slow to oxidize making it ideal for slicing alongside cheese or in salads.

PINATA

This apple is juicy and sweet-tart with a touch of spice and an aroma reminiscent of orange and banana. Its fine-textured flesh is crisp and semi-firm but will soften and become milder in flavor the longer it's stored. Considered an all-purpose variety, enjoy this apple fresh or in recipes.

PINOVA

This apple is juicy and sweet-tart with a touch of spice and an aroma reminiscent of orange and banana. Its fine-textured flesh is crisp and semi-firm but will soften and become milder in flavor the longer it's stored. Considered an all-purpose variety, enjoy this apple fresh or in recipes.

ROSALYNN

Fruity and sweet-tart with notes of cherry and a crisp, clean mouthfeel, this apple is as attractive as it is tasty. Medium-grained and crunchy, fans of crisp and flavorful apples will love Rosalynn.

RUBINETTE

Intensely sweet and complex in flavor with a delightful sharpness, this aromatic variety is crisp and juicy. Enjoy RubINETTE fresh out of hand or sliced alongside cheese.

ALBERMARLE PIPPEN

Developed in the 17th century in New York, this heirloom apple is very firm, crisp and sweet-tart with a rich and robust flavor that displays subtle notes of pine. This variety is considered to be one of the best apples for cider making and pies.

AUTUMN GLORY

Very sweet with hints of cinnamon and subtle notes of caramel, this apple is crisp, crunchy and ideal for fresh eating and incorporating into recipes.

BRAEBURN

This apple is one of the most produced varieties in the United States. Sweet but not sugary, refreshing, juicy and crisp, this apple is often what eaters think of as the ideal modern apple variety.

CRIPPS PINK

This apple is well-loved for its attractive appearance, sweet, tangy flavor with notes of honey, and an effervescent quality. Delicious eaten fresh out of hand, its high sugar content also makes it great for cooking and baking.

ENTERPRISE

This apple's thick skin makes it an ideal choice for cooking. Many eaters compare this juicy apple's flavor to Fuji and will find that it becomes tarter the longer it's stored.

PINK LADY

This apple is well-loved for its attractive appearance, sweet, tangy flavor with notes of honey, and an effervescent quality. Delicious eaten fresh out of hand, its high sugar content also makes it great for cooking and baking.

SUGARBEE

This low-acid apple is sweet, crunchy and aromatic. Great for fresh eating where its floral undertones can be appreciated, the high sugar content in SugarBee makes it a good cooking apple too.

ARKANSAS BLACK

This heirloom apple has a crisp, sweet and almost caramel-like flavor with notes of almond and vanilla that mellows the longer it's kept. Its fine-grained yellow flesh is juicy, medium-firm and high in acid.

JAZZ

Crisp and firm with a pronounced sweet-tart flavor, Jazz has fruity undertones with a distinct pear note. Tasty eaten fresh out of hand or sliced into salads and onto cheese plates, this apple also performs well in cooked preparations.

RIRU

Super sweet, crunchy, firm and very juicy, Kiku is wonderful for fresh eating. This apple will hold its shape in cooking, making it an excellent choice for baked apples.

SPARTAN

The fine-grained white flesh of this apple is very juicy and crisp. Spartan is considered a good all-purpose apple for fresh eating and cooking.

WINESAP

An older North American apple, the earliest known Winesap dates back to the 17th century. This heirloom apple has a deep, rich wine-like flavor that's tangy and sometimes a little more sour than sweet. It pairs well with cheese and can be eaten fresh out of hand or used in recipes and baked goods.

GOLDEN RUSSET

Crisp, flavorful and with fine-textured flesh, this heirloom apple is intensely honeyed flavor which makes it ideal for fresh eating and cider making.

CAMEO

Crisp with a subtle sweet-tart flavor with notes of honey, pear and citrus, Cameo is tasty eaten fresh. Slow to oxidize, this apple is a wonderful addition in salads, cheese plates or sliced for snacking.

FORTUNE

With a flavor described as sweet-tart, spicy and spritely, the skin of this apple is semi-thick which lends a slightly chewy texture that combines with its crisp flesh for a satisfying bite.

ORIN

This classic Japanese variety is super sweet with barely a hint of tartness. Aromatic and with notes of tropical fruit, Orin is delicious eaten fresh out of hand or sliced into salads.

COSMIC CRISP

Developed in Washington state, this apple is firm in texture, juicy, crunchy and sweet-tart.

Ideal for fresh eating, cooks and bakers will appreciate that this apple holds its color well when incorporated in sweet treats.

GOLD BLUSH

This attractive apple smells sweetly of cider, and its flavor boasts subtle notes of banana and vanilla. Very firm, crisp and juicy, Gold Blush is delicious eaten fresh out of hand for fans of harder apples and can be cooked or baked.

KORU

Slow to oxidize, this sweet-tart apple is ideal for slicing or shredding into salads, eaten fresh out of hand and is also great in cooked preparations. Its coarse-textured white flesh is crisp, crunchy and initially tart, followed by a sweet, honeyed flavor with notes of orange, vanilla and spices.

ROCKIT

A truly snack-sized apple ideal for younger eaters who sometimes can't finish a whole apple, this pint-sized treat fits perfectly in a lunch box. Mild and sweet, Rockit combines delicious apples with the convenience of grab-and-go packaging.

CRIMSON DELIGHT

Very firm with super juicy, sweet and flavorful crisp flesh, this is a great all-purpose apple for fresh eating, cooking, baking and juicing.

NICOLA

Juicy with low acidity, Nicola is tasty eaten fresh out of hand and does well in cooked preparations. The crisp flesh has a sweetness typical of later season apples.

EVERCRISP

The crunch factor is high with this sweet, juicy variety. Delicious eaten fresh, sweet EverCrisp holds its shape well when baked or cooked.

AUTUMN GREETING

Aromatic and sweet, the warm rich flavor of this apple has subtle tropical notes of pineapple. Crisp with a course-texture and juicy, Autumn Greeting is mellow in flavor with a slight tartness.

DAZZLE

High in sugar with low acidity, this crunchy and juicy apple is an all-around pleasant eater. Its fine-grained flesh is dense and crisp making it a great apple sliced up as a snack or eaten fresh out of hand.

PREMIER STAR

With delightfully crisp, juicy flesh and bright fruity notes, apple fans are sure to love this apple's sweet flavor with a zippy tang.

DIVA

Sweet, subtly tart and with faint notes of vanilla and grape, this dense and crispy apple is a satisfying eater.
