GROWN CO

CANDY DREAM

Crisp, super sweet and intensely flavored, organic Candy Dream is a seedless confection-inspired grape that kids and adults are sure to love.

CANDY HEART

With hints of raspberry candy flavor and a satisfying crunch, organic seedless Candy Hearts are sure to cure a sweet tooth or cravings for something snackable.

CANDY SNAP

Thin skinned with a sweet flavor featuring undertones of tropical fruit, organic Candy Snap is a lightly tangy seedless grape with a satisfying crunch.

COTTON CANDY

Succulently sweet and bursting with flavor,
organic seedless Cotton Candy tastes just like
its name suggests!

GUMMY BERRIES

Tasting like strawberry gummy candy, organic Gummy Berries are super sweet, and this seedless grape certainly lives up to its name.

JELLY BERRIES

With a flavor like grape jelly, organic Jelly Berries are packed with antioxidants making this seedless grape delicious and healthy.

CONCORD

This seeded grape is a slip-skin variety meaning the skin removes easily from the flesh making it great for juicing, jamming, wine making and eating fresh, too.

Organic Concord is big in classic grape flavor!

IFG 34

Seedless and crunchy, this organic Concord and Muscat cross is super sweet and fantastic for snacking.

IFG 35

Fans of organic Cotton Candy will love its lychee-flavored sister. Super sweet, seedless and tropical in flavor, this grape has thin skin and is ideal for snacking.

IFG 38

With a satisfying crunch and a Muscat-like flavor, this organic seedless grape is ideal for snacking and great on cheese plates.

IFG 39

Known as a “finger grape” this variety is elongated in shape with round tips and strong Muscat flavor. This organic seedless grape is delicious and fun on fruit plates and cheese boards.

IFG 42

Described as diamond shaped, being wider at the stem end and tapering at the tip, look for the distinctive shape of this organic grape to tell it apart from other green varieties. Crisp, juicy and seedless, this tangy and sweet variety is delicious.

IFG 44

Tasting of Muscat and Concord, this variety boasts a deep grape flavor with tropical undertones. Organic, seedless, crunchy and very snackable.

NW-GROWN INTERLAKEN

Delicious for fresh eating, juicing and making raisins, this organic seedless variety is crisp, tangy and sweet.

JULEP

The complex flavor of this stunning organic seedless grape has notes of slightly spicy Lambrusco, tropical fruit and a faint hint of mint.

NW-GROWN JUPITER

This organic seedless grape is flavorful, crunchy and delicious for fresh eating. With notes of Muscat, its flavor has hints of tropical fruit like lychee, and a light floral scent.

MUSCAT

Frequently associated with wine making, but also delicious eaten fresh out of hand, organic Muscat grapes are seedless, moderately sweet with a subtle musky flavor and notes of tropical fruit.

QUIP

Easily recognizable by their long shape, this variety is known as a “finger grape.” Sweet, slightly tangy and refreshing, organic Quip is fun to eat and looks great on the plate.

RED GLOBE

Mildly sweet with a succulent texture and big round berries, this organic seeded grape is dark ruby red when fully ripe.

NW-GROWN RELIANCE

The deep-red color of this organic seedless grape is a feast for the eyes and its intense flavor and aroma complete the package. High in sugar, Reliance is great for fresh eating and cooking.

SABLE

This dramatically hued seedless variety has thicker skin, giving it a satisfying chewy texture.

With undertones of tropical fruit and a subtle muskiness, organic Sable is very sweet making it great for snacking and cooking.

SWEET MAYABELLE

With a satisfying crunch and Muscat-like flavor, this organic seedless grape has sweet tropical notes.

THOMCORD

Plump, juicy and nearly seedless, organic Thomcord has an irresistible flavor described as grape jam and a satisfying texture that makes it great for snacking.

NW-GROWN THOMCORD

Plump, juicy and nearly seedless organic Thomcord has an irresistible flavor described as grape jam and a satisfying texture that makes it great for snacking.

BLACK SEEDLESS

Known for a deep blue-purple color that makes them appear almost black, these organic table grapes are high in antioxidants, packed with sweet flavor and their aromatic skin boasts a delightfully chewy texture.

GREEN SEEDLESS

Packed with vitamins, minerals and sweet-tart flavor, organic green table grapes are great for healthy snacking.

RED SEEDLESS

Crisp and juicy, fans of sweetness can look to organic red table grapes to cure sugar cravings.
